If you organize a group of 15 or more people to register and pay for a trip, you go free. It's as simple as that. If it's too late to get 15 friends rounded up, don't worry. We offer big discounts for getting 6 or more people.

Trips Sold	Discount
6-8	25%
9-11	40%
12-14	70%

Traveling Party offers a unique set of simple on-line tools to help you organize your trip. We set you up with your own Traveling Party webpage that allows you to:

- ✓ register and pay online
- ✓ send automatic email invites
- ✓ let friends vote on the trip's destination
- ✓ keep track of who's paid (and who needs reminders)
- ✓ post messages to the group
- ✓ get info on all our destinations and packages

To get started, fill out the registration form. Next, go to the Invite Friends feature and enter as many of your friends' email addresses and names as you'd like. We automatically send out e-invitations with a link back to your page. When they click the link, they register and can begin using all features on your page. When friends have paid, your leader's page will be updated to show that. We keep track of how many friends in your group have paid and discount your price.
